

CANDIDATE SELECTION MINUTES

Training of Trainers for the development of specialized technical skills for the management of the Kumba TVET Center

Preamble

Following the establishment of a roster of 20 candidates for selection, based on the criteria specified in the selection notice regarding educational qualifications, industry experience, specific language skills, and the submission of a motivational letter; the evaluation committee proceeded to select 12 candidates through online interviews.

Selection Procedure

The committee met online on October 2, 2026, from 11:00 AM to 3:30 PM (Italian time), to evaluate the candidates through an introductory interview aimed at assessing three areas: work experience within their professional sector, experience and availability for training and teaching activities, and expectations regarding the training activities in Italy and the subsequent implementation of the project in Cameroon.

Subsequently, the committee met online on October 7, 2026, from 2:00 PM to 2:45 PM (Italian time), for a deliberative discussion, taking into account the professional profiles, the written documentation provided by the candidates, and the individual interviews.
